**NCB ANNOUNCES NEW TEAM UP TO CLEANUP BLOCK PARTY FOR KNCB**

North Charleston, SC – In partnering with Keep North Charleston Beautiful, the North Charleston Beautifiers are launching a new kick-off event that will take place on Saturday, May 24, 2008 and will start at 10 am. It is part of the new program we are introducing called, Team up to Cleanup. The block party will allow all participating individuals to come together as a whole and affirm their commitment to beautifying North Charleston. It will be a large event that offers a little something to just about everyone in the community by featuring great food and an array of fun activities that include:

- Trash Can Painting Contest
- Educational Games
- Live Music
- Environmental and Community Organization Fair Booths

Keeping North Charleston beautiful is best achieved on a neighborhood level, with teams from each neighborhood maintaining an area of the community by working together toward a common goal. Teams will sign up on the KNCB website, and have to fill out an application to compete in events. In keeping with what Carmen Hanlon had emphasized, "a focus on outreach to neighborhoods to get them to sign up for events," our new program has just designed a more fun event that is easily accessible to interested groups.

KNCB is a volunteer organization that advocates community involvement in programs to increase the aesthetic beauty and overall cleanliness in the city of North Charleston. The contact for KNCB is Carmen Hanlon, who can be reached at (843) 745-1076, or via e-mail at [chanlon@northcharleston.com](mailto:chanlon@northcharleston.com). For more information about KNCB visit [www.keepnorthcharlestonbeautiful.org](http://www.keepnorthcharlestonbeautiful.org).

The North Charleston Beautifiers are a diverse team. Our different strengths and prior experience are all united and utilized by a desire to aid Keep North Charleston Beautiful by adding energy and new neighborhoods with their new Team up to Cleanup program.

###

If you have any additional questions or inquiries in regards to the event, contact Laura Harwood, Account Manager, at (202) 262-1060, or via e-mail at [lyharwoo@edisto.cofc.edu](mailto:lyharwoo@edisto.cofc.edu).
